Last Week

Jim Gee, General Manager of Tarta, provided an overview of the Toledo Area Regional Transportation Authority. There are four core services of Tarta. These include the Fixed Route, Call a Ride, Tarps, and Mudhens service. Call a ride is a dial up service used in the suburbs. Tarps handle the disabled and are most commonly used for transportation to work. The future needs being studied are Diesel fuels using Bio diesel products and engine systems using hydrogen on bio diesel engines. They are also working on obtaining bus service to the new arena.
