Last Week

Scott Gray presented six fundamental business principles that are specifically designed to help small businesses move beyond momentary success to attain enduring excellence. This is a long-term fitness program that finds practical approaches for clarifying strategy. The six steps are as follows:

1. Decide what is important.
2. Set goals that lead.
3. Align systems.
4. Work the plan.
5. Innovate purposefully.
6. Step back.

District Conference Summary

What a celebration for a successful 2007-2008 Rotary Year!! The weekend was full of great programs, wonderful entertainment, good food, great speakers, great fellowship and time to share ideas and pick up new ones. Some of our speakers were David C. Forward and Joe Dittmar, a survivor of the Terrorist attack on September 11, 2001. Our inbound and outbound exchange students were there to join us. The countries represented were Brazil, Columbia, Czech Republic, France, Germany, India, Japan, Mexico, Peru, Philippines, Slovakia and Thailand.

Thought for the Week

"It is not what we read, but what we remember that makes us learned. It is not what we intend but what we do that makes us useful. And, it is not a few faint wishes but a lifelong struggle that makes us valiant."

-Henry Ward Beecher-
