LAST WEEK

Unfinished Business:

Julie Oswald was presented with the Presidential Citation Award from Rotary International. Thank you Julie for your great job as President of our Club!

Our speaker for the day was Lt. Commander Minnich from the United States Coast Guard. Lt. Commander Minnich has been active for 29 years. Through those years he has been stationed all over the United States, even as he stated, taking a 3 year vacation in Honolulu, Hawaii. Lt. Commander Minnich is part of the Coast Guard Safety unit. This unit is responsible for inspecting commercial vessels, passenger vessels for 6 or more passengers and Homeland Security. Their territory reaches from Vermillion to Monroe to the Maumee River 1-75 overpass. The Coast Guard Unit in Toledo also does a lot of volunteer work in the community. Currently they are mentoring students at the Maritime Academy. They also offer boat safety courses.
